Dear Grad and Parents:

Hope you and your family are well. We are all anticipating a fabulous summer for 2010, as we celebrate our 40th year! We have planned fabulous day trips for you, along with fun filled on campus activities.

At this time, we are accepting reservations for the **Optional GRAD overnight trip**, to Hershey Park and Dorney Park. This trip is scheduled for Wednesday and Thursday, July 28th – July 29th. **Camper must be signed up for entire overnight week to be eligible for optional overnight.**

The overnight trip includes transportation via a video equipped and air conditioned motor coach bus, lodging at a first class hotel, admission to all venues and meals. The cost is \$270. per camper. Lindsay Singer, our Grad Group Leader and some of the Grad counselors will accompany the group.

Space is limited to the first 45 campers. Therefore, please complete the form below and return to Camp with your payment ASAP. Spots will be reserved on a first come, first serve basis, with payment in full.

If you have any questions about this trip, please call camp. We are looking forward to seeing you this summer.

Very truly yours,
