

Dear Ivy League Day Camp Parents,

We are once again all looking forward to a fabulous Camp season and are thrilled that your child (ren) will be here to enjoy it.

We have had several requests from parents concerning **tutoring in math and/or reading for their children** as well as **speech and language intervention**. In order to keep campers here at **Camp and to make it convenient for you and your child**, we are offering these services for your child in our **Learning and Enrichment Center. The Learning Center** is in a private and air-conditioned area in Camp. Should you desire the services of our tutors, they will contact you in advance in order to discuss any of your individual needs. If necessary they will also speak with your child's teachers in advance.

VICKI CUTLER has been the Educational Director at **Ivy League Pre-School** for the past 8 years. She received a BS in Elementary Education from the American University. **Vicki** has worked with children in various grade levels teaching basic skills for many years. She brings her tricks and creativity to every lesson and most of all the children have fun, feel good about themselves, learn and succeed.

DANA SHUKAN, a licensed and certified Speech - Language Pathologist, with her Masters of Arts in Speech Pathology, will be working as the Speech Therapist at Ivy League this summer. Dana has worked with children of varied age groups in need of speech and language intervention. She specializes in articulation (sound production) and language based intervention. If you desire her help for your child, we will schedule a time in the Camp day for your child to benefit from her services.

If you are interested in either of these programs please complete the form below and return it to us as soon as possible to reserve a spot. On the day of the service please send the payment in an envelope with your child. If you have any questions, please contact the camp.

Very truly yours,

Sandy, Ron, Evan and Jon Leiser, Directors
