

# BIG LEAGUE WINTER NEWS

## FROM YOUR DIRECTORS

Dear Camp Families and Friends,

As Winter Break approaches, and we get a bit closer to Spring, here at Ivy League, we are working hard to plan another wonderful summer filled with BIG LEAGUE FUN!

Summer camp is a wonderful gift that you have chosen to give your child. There is something magical about a summer camp experience. Whether we are celebrating Buddy's birthday, showing our color war spirit, or performing shows for parents, something thrilling and exciting is always going on at Ivy League!

Camp is an independent experience that helps to shape one's character and life. You are sending your child to a controlled, safe environment where children are able to make their own decisions about simple things. Our campers are able to make decisions for themselves such as Group Options, Individual Options, Electives, Off-Campus Electives and even what they are going to eat for lunch.

Camp is a place where kids interact with other individuals face-to-face, and learn about themselves and others. They have the opportunity to make friends with other children without the distraction of electronics. They create memories by climbing rock walls, shooting an arrow in Archery, zipping down a zip line in Ropes, acting in the Camp Play, and experiencing the success of winning the big game in all sports on the Big League Fields! Memories they make at Ivy League stay with them forever!

Our hopes are to ready our Ivy League campers to be productive, independent, and capable individuals in their future. Ivy League offers a way for kids to start developing those skills in the best possible environment.

So, THANK YOU for choosing Ivy League Day Camp as your child's summer camp experience. We burst with pride as we watch your children grow into happy, caring, and confident individuals. We know they will have plenty to talk to you about each day as they get home from camp. They will always remember the gift of camp!!

Yours In Camping,  
The Leiser Family
